Dear Mr President:

I am concerned to hear of incendiary comments from the US administration about other parts of the government. The attacks on specific judges and the judiciary in general as well as the University of California and the state more generally will weaken the country.

Please assure me that you will govern with policy rather than ad hominem arguments. ■

I am very proud to be a US resident and a large part of that derives from our government of laws rather than personalities.

Sincerely,
Eric Babson
