Dear Mr President:

I am concerned by the apparently arbitrary targets of deportation proceedings. Last week's change of priorities giving huge power to individual ICE agents appears now to be starting to tear apart upstanding families. If this continues it will greatly weaken the country.

Please assure me that you will clarify rules to avoid such damage to our communities.

I am very proud to be a US resident and a large part of that derives from safety from arbitrary government actions.

Sincerely,
Eric Babson
