Dear Mr President:

I am concerned about political violence. A group planning to kidnap Governor Whitmer was arrested today. The FBI has long warned of a domestic terrorist threat. You insist instead on speaking of Muslims and antifa. You speak of very fine people and call on violent extremists to stand by. You call for violent responses to nonexistent election fraud and rational public health restrictions. You encourage vigilante-ism by setting an example with irregular troops in DC and Portland, calling for election monitors and naming such politicians as Secretary Clinton, Mayor Schaaf and Governor Whitmer as enemies.

Please assure me that you will condemn all white nationalists.

I am very proud to be a US resident and a large part of that derives from the rule of law.

Sincerely,
Eric Babson
