Office Hours

I will have regular office hours in 2131 Mathematical Sciences Building on Thursdays at 1:00pm-2:00pm and by appointment (sending an e-mail request is best). I am happy to stay after discussion to answer your questions.

E-mail List

I maintain an e-mail list for my discussions with information and announcements. The subject always starts with [21C]. I would greatly appreciate it if your e-mails also started with [21C]. If you would like to be added to the list, please send me an e-mail.
