

Directions to ARML meeting site: Mathematical Sciences Building (MSB)

From Sacramento

Take I-80 west toward San Francisco. You will pass two Davis exits (Mace Blvd. and Richards Blvd.) and then a sign to UC Davis (and possibly the Mondavi Center) about 0.5 miles beyond Richards Blvd. You will exit to the right and turn right. The road will turn back the way you came.

You will pass an information kiosk and then, in about 100 yards, there is a road to the left (California Ave.). Take the road, cross over a small bridge and continue going until you have to turn left into the parking lot at the back of the MSB. Swipe your visitor's card to enter into the building from the main entrance. We will be meeting on the second floor, in room 2112.

From San Francisco

Take I-80 east toward Sacramento. Immediately beyond the turnoff for Highway 113 west to Woodland (NOT east—the two roads are about 3 miles apart) you will see a sign for the UC Davis campus (and possibly the Mondavi Center). Exit the road to the right and turn left under the freeway. The road will bend to the right towards Sacramento.

Now follow the directions of the second paragraph above.
