Math 17B Kouba Comprehensive Course Survey

The following survey is OPTIONAL. If you choose to fill it out honestly and completely, you will receive 5 extra credit points which will be added to the points for your final exam. This information will be kept *strictly confidential* and is being used solely as a means of making Math 17B a more effective class for future UC Davis students.

This survey is due IN CLASS (or under my office door at 3135 MSB) on (but NOT BEFORE) Wednesday, June 7, 2017. Thank you for your assistance in this matter.
