Lectures: TR 2:10 – 3:00 pm in BAINER 1060.

Final Exam: 12/8 1:00 – 3:00 pm

Text

Trigonometry by Larson and Hostetler.

We will cover chapters 1, 2, and 3.

Grading

There will be two midterms (10/15 and 11/9) and a final exam (12/8). The final grade will be computed as follows:

Homework: 20%

Midterms: 40% (20% each)

Final: 40%

Homework

There will be weekly homework assignments due at the beginning of class every Thursday. Late homework will not be accepted. The assignments will be posted on the course web site. Homework will be graded on both correctness and completeness. For homework, calculators are allowed. You are welcome to discuss your homework with other students. However, the final product must be your own.

Exam Policy

You may not use any books, notes, or cell phones on the exams. Legitimate excuses for missing an exam (such as verified illness or serious family emergencies) in all cases must be approved, preferably in advance. Unexcused absences from any exam will receive a score of "0".

Important Dates

9/24 – First day of classes

10/15 – Midterm #1

11/10 – Midterm #2

11/11 – Academic holiday

11/26-11/27 - Academic holiday

12/8 – Final exam
