Dear Mr President:

I am very concerned to hear of a major change in immigration removal priorities for the SHS. This order directs immigration officers into the role of judges. Such broad and arbitrary disruption of our immigrant communities will weaken this country.

*Please assure me that you will prioritize improvement of our communities over decimation.*

I am very proud to be a US resident and a large part of that derives from our success at integrating many new groups over generations.

Sincerely,  
Eric Babson
