Dear Mr President:

I am concerned about ethics. The Attorney General lied under oath. The ethics office recommendations regarding Ms Conway and yourself have been ignored. The CREW lawsuit and Global Alliance penthouse purchase are early reminders of the reasons for these recommendations. The appearance of conflict will weaken public confidence as well as the effectiveness of foreign policy.

Please assure me that you will move to eliminate ethical conflicts.

I am very proud to be a US resident and a large part of that derives from our governance for the people.

Sincerely,
Eric Babson
