Dear Mr President:

I am concerned by the appearance of a cover up around Russian ties to your campaign. This appearance is increased by Messrs Flynn, Sessions, Manafort, Page and Stone only admitting to meetings once they were reported on. It is increased by ad hominem attacks on Representative Pelosi and Senator Schumer when they call for a government response. It is increased by the reluctance of General Sessions to recuse himself and the refusal of Congress to appoint an independent investigator. This appearance will reduce public faith on the government and weaken the country.

*Please assure me that you will work toward transparency.*

I am very proud to be a US resident and a large part of that derives from our freedom of information.

Sincerely,  
Eric Babson
