Dear Mr President:

I am concerned by the impersonation of police by ICE enforcers. Our police forces work hard to build the trust required for safe and effective law enforcement. When outside people use the police title on their uniforms while enforcing arbitrary rules without judicial oversight this work is undermined. This makes the jobs of our police harder and more dangerous. It makes our communities less safe and our country weaker.

Please assure me that you will respect local police.

I am very proud to be a US resident and a large part of that derives from the rule of law.

Sincerely,
Eric Babson
