Dear Senator Feinstein:

I am concerned by the prospect of single party control of all branches of the federal government. Judge Gorsuch should not be on the supreme court. His record on the tenth circuit has been very pro-gun (US vs Games-Perez) and against reproductive rights (Hobby Lobby vs US). He has also written against the Chevron defense and marriage equality. I was encouraged by your comments in early February as a ranking member of the Senate Judiciary Committee.

Please assure me that you will strongly oppose the appointment of Judge Gorsuch.

I am very proud to be a US resident and a large part of that derives from the rule of law.

Sincerely,
Eric Babson
