Dear Senator Harris:

I am pleased to hear that you oppose border wall funding. The administration suggestions that they will negotiate with people's health insurance to get you to fund an immoral border wall is offensive. I am happy to see your comments that you will not be dragged into this crude attempt at deal making. Many republicans appear willing to go along with these vicious plans leaving your strong opposition in the senate as the countries best remaining defense.

Please assure me that you will not capitulate in budget negotiations.

I am very proud to be a US resident and a large part of that derives from our responsible government.

Sincerely,
Eric Babson
