Dear Ms Lee:

I am pleased to see you support a clean budget bill. I count on you as my representative and a member of the appropriations committee to work to avoid riders. It is offensive to hear of administration plans to barter peoples health insurance for an immoral wall. From your comments it seems clear that you will not be dragged into such a crude and poorly planned attempt at negotiation. Many republicans appear willing to go along with these vicious plans leaving your strong opposition in appropriations as our countries best remaining hope.

Please assure me that you will stand strong in budget negotiations.

I am very proud to be a US resident and a large part of that derives from our responsible government.

Sincerely,
Eric Babson
