Dear Ms Lee:

I am pleased to see Democratic cohesion. Many in your district are calling for impeachment. You have a laudable history of backing removal of our most egregious leaders (Cheney). Your recent town hall on the topic was a very reasonable way to address concerns. At this point I am persuaded by Speaker Pelosi that the Republicans are destroying themselves without requiring any help. This has also been preventing them from getting very far with their horrific agenda. This suggests that patient strong coherent opposition is better than drawing attention away from them with contentious initiatives.

Please assure me that you will continue to work as a block with other Democrats.

I am very proud to be a California resident and a large part of that derives from our rational progressive leadership.

Sincerely,
Eric Babson
