Dear Mr President:

I am concerned about collusion. Today General Sessions resigned. He has been a racist embarrassment to the country leading the DOJ in separating Hispanic children from their parents, dropping cases supporting voting rights and transgender rights, cutting short Obama's program to help police departments root out racism, suing cities over sanctuary laws, shutting down sentencing reform with orders to seek maximum penalties, personally ending the gang and domestic violence arguments for asylum and setting arbitrary benchmarks for immigration judges. Unfortunately, the reason for his dismissal appears to be the main useful thing he did - allowing to proceed an investigation into treason through collusion with Russia.

Please assure me that Acting Attorney General Whitaker will similarly be recused.

I am very proud to be a US resident and a large part of that derives from the rule of law.

Sincerely,
Eric Babson
