Dear Senator Feinstein:

I am concerned about corrupt and incompetent officials. Impeachment is among the duties of Congress. Besides legislation the Senate is charged with removing corrupt, incompetent, illegitimate and criminal officials from government. Just now there is a long list starting with the President who manages to meet all four criteria, the Vice President who is illegitimate in light of the election interference, Justice Kavanaugh who is a criminal, General Barr who is corrupt and standing in contempt of Congress, Secretary Ross who broke laws around the census, Secretary Mnuchin who also stands in contempt of Congress and Secretary Acosta who colluded with Mr Epstein. I have great respect for Speaker Pelosi but it is time for Congress to drain the swamp.

Please assure me that you will impeach all corrupt officials.

I am very proud to be a US resident and a large part of that derives from our honest government.

Sincerely,
Eric Babson
