Dear Senator Feinstein:

I am concerned about treason. The President is clearly guilty and in collusion with Vice President Pence and other cabinet officials. Staying out of town over the past few weeks has not kept Mr Pence's complicity out of mind with recent testimony revealing a briefing from his aide Ms Williams and a direct conversation with Ambassador Sondland. His response has been silence with an implausible blanket denial from his press secretary. Notably absent is any transcript of his calls or meetings with President Zelensky. His main comment so far has been that there was nothing wrong with the call between the two Presidents. Maybe this is a stupidity defense but there is clearly enough evidence to at least prosecute.

Please assure me that you will impeach Vice President Pence.

I am very proud to be a US resident and a large part of that derives from our accountable government.

Sincerely,
Eric Babson
