Dear Mr President:

I am concerned about corruption. Project Veritas under the indicted Mr Prince is reported to be acting as a private domestic spy agency to infiltrate such organizations as the campaign of Representative Spanberger. Both have close ties to you. For years you promoted Project Veritas and together made a hack attack video against Ms Clinton in 2015. Mr Prince is related to the Education Secretary and worked with Messrs Bannon and Kushner in 2017 trying to privatize the Afghan war. This appears much more serious than the actions of CREEP that brought down President Nixon and similar to your corrupt moves to pressure Ukrainian officials into attacking Mr Biden. This pattern of corruption undermines faith in our government and moves the country another step toward autocracy.

Please assure me that General Barr will prosecute Mr Prince and Project Veritas.

I am very proud to be a US resident and a large part of that derives from our democracy.

Sincerely,
Eric Babson
