Dear Mr President:

I am concerned about policing. The past week we have had a tremendous outpouring of rage about racist policing. General Barr like General Sessions before him has shut down the moves of General Holder to shine light on and help correct such failings through DOJ reports like the one on Ferguson, more focused grant funding and consent decrees. Yesterday he assured us that there is no systemic police racism. The refusal to investigate or even admit the possibility of a problem is a sure sign of ineffective leadership. This is hardly his first demonstration of dangerous incompetence having begun the job mischaracterizing the Mueller report, moved to drop a won case last month and ordered attacks on civilians last week.

*Please assure me that you will fire General Barr.*

I am very proud to be a US resident and a large part of that derives from our promise of equal protection under the law.

Sincerely,  
Eric Babson
