Dear Mr President:

I am concerned about oversight. Your failures around the coronavirus have killed tens of thousands of Americans and put tens of millions of us out of work with only the CARES act keeping many people afloat. You have a well known huckster's distaste for oversight from your long promised tax returns and attacks on Mr Mueller's work to the many fired inspectors general and loud insistence on gutting CARES oversight. Now Treasury is completely stonewalling even this enfeebled oversight process in disbursing nearly a trillion dollars and what little investigative journalists have been able to find has not been encouraging with the goal of supporting the economy undermined and small business funds diverted elsewhere.

Please assure me that PPP recipients will be made public immediately.

I am very proud to be a US resident and a large part of that derives from our honest government.

Sincerely,
Eric Babson
