Dear Mr President:

I am concerned about child trafficking. Recently obtained documents reveal that ICE through MVM Inc and a Hilton franchise (which I will avoid in future) is holding and then deporting hundreds of children from infants to teens in a shockingly immoral violation of international asylum conventions, US anti-trafficking law and the Flores court order. MVM has previously held children in squalid camps; ICE is demonstrating arbitrary violence in Portland and your record of viciousness toward children includes kidnapping thousands at the border and trying to force schools open in an epidemic. I worry that those acting so monstrously are capable of anything.

Please assure me that you will welcome refugee children.

I am very proud to be a US resident and a large part of that derives from our morality.

Sincerely,
Eric Babson
