Dear Mr President:

I am concerned about fair elections. An election is nine weeks away. Director DeJoy has been working to dismantle mail service including removing postboxes from nearby Oakland. Director Ratcliffe has decided to stop briefing Congress on the illegal Russian moves to support your reinstallation. You continue to illegally use your office to campaign and hint at refusing to leave. Secretary Esper has remained quiet about whether he would stop you. These are the sorts of moves that President Carter spent his retirement calling out around the world when the US was looked to as a beacon of Democracy.

*Please assure me that you will brief Congress and deliver mail in support of fair elections.*

I am very proud to be a US resident and a large part of that derives from our democracy.

Sincerely,  
Eric Babson
