Summer math workshops will be problem-solving based. Students will be encouraged to work in groups with others from their class on problems similar to book and exam problems appropriate to their course. Attendance the entire 1.5 hours is not required, so coming late or leaving early will be fine. Students are encouraged to attend regularly to maximize the benefit of the workshop.

**MATH 16ABC Problem Solving** (June 21st – July 28th)

TWR 11am - 12:30pm 121 Olson Kristen Freeman

**MATH 17ABC Problem Solving** (June 21st – July 28th)
