Grading

Scores will be based on: homework (15%), midterm I (25%), midterm II (25%), and final (35%). All exams are cumulative. **No make up exams will be given.**

- **Midterm I:** July 3, 2019. In class. 1 Hour.
- **Midterm II:** July 18, 2019. In class, 1 Hour.
- **Final:** August 1, 2019. In class. 2 Hours.

Failure to participate in the final will automatically result in an *F*.

- **Homework** will be collected twice (no-exam week) or once (exam week) per week, due on Tuesday and Thursday. Each assignment includes 3 problems. One will be thoroughly graded, and the rest will be graded based on completion. The homework

*You may use alternative textbooks. I will type up the homework problems. However, the suggested exercises will be in reference to the listed one.
will be collected in class on due day. Late homework is NOT accepted. The first homework is due June 25, Tuesday.

There will also be suggested exercise for exam-practice and further interest. They will not be collected. See course page.
