The following survey is OPTIONAL. If you choose to fill it out honestly and completely, you will receive 5 extra credit points to be added to your total points for the quarter. This information will be kept strictly confidential and is being used solely as a means of making Math 16B a more effective class for future UC Davis students.

This survey is due IN CLASS (or under my office door at 3135 MSB) on (but NOT BEFORE) Friday, March 13, 2020. Thank you for your assistance in this matter.

Your Name ________________________ Your Exam ID # _____ Your Major __________________
How many credits did you take during Winter Quarter 2020? _____
Did you take calculus in high school? _____ What grade(s) did you get? _____ Was this class more challenging or less challenging than your high school class? _____
List your AP scores for calculus (If you took them.) AB _____ BC _____
Did you take Math 16A? _____ What grade did you get? _____
What course grade do you expect to get in this class? _____
Do you plan to take Math 16C? _____
There were 26 lecture days this quarter. How many days did you NOT attend lecture? _____
There were 25 homework assignments this quarter. Homework solutions could be viewed on the internet. Did you use them often? _____ Did you find them helpful? _____
I did not collect homework from you. Would you have preferred that homework be collected? _____
Why or why not?
Did you study or do calculus homework regularly with students from this class? _____
from another class? _____ If so, how many other students? _____
Do you prefer to study and learn calculus alone or in study groups? _____
What is an AVERAGE amount of time you spent working on a single homework assignment? _____
What is an AVERAGE amount of time you spent working on calculus each WEEK, not including classtime-- include homework time, office hours, study groups, time spent preparing for exams, etc.? _____
