Homework assignments and solutions, supplementary class handouts, practice exams and solutions, exam information, exam solutions, trig review, study tips, optional extra credit survey, etc. can be found on the Math 16B homepage. ALL IMPORTANT INFORMATION for the course can be found here. Please become familiar with its links and resources as soon as possible.

Homework will be assigned daily, but will not be collected.

It will be your responsibility to do homework regularly and ask for help when you need it. My office hours provide an opportunity for you to work on problems with other students (and eat candy).

No make-up exams are given. A missed exam is zero points.

April 18, 2017, is the last day to ADD the course.
April 28, 2017, is the last day to DROP the course.
Supplementary on-line calculus resources can be found at: http://www.calculus.org
Additional pre-calculus and calculus workshops, classes, and tutoring are offered by the Student Academic Success Center (SASC) in South Hall. Please contact SASC for further details.
