Comprehensive Course Survey

The following survey is OPTIONAL. If you choose to fill it out honestly and completely, you will receive 5 extra credit points which will be added to the points for your final exam. This information will be kept strictly confidential and is being used solely as a means of making Math 17C a more effective class for future UC Davis students.

This survey is due IN CLASS (or under my office door at 3135 MSB) on (but NOT BEFORE) Monday, March 14, 2016. Thank you for your assistance in this matter.

Your Name ____________________________ Your Exam ID # _____ Your Major _____________

How many credits did you take during Winter Quarter 2016? ______
Did you take calculus in high school? ______ What grade(s) did you get? ______
Did you take Math 16A? ______ What grade did you get? ______
Did you take Math 16B? ______ What grade did you get? ______
Did you take Math 17A? ______ What grade did you get? ______
Did you take Math 17B? ______ What grade did you get? ______
List your AP scores for calculus (If you took them.) AB _____ BC _____

What course grade do you expect to get in this class? ______
There were 25 lecture days this quarter. How many days did you NOT attend lecture? ______
There were 25 homework assignments this quarter. Homework solutions could be viewed on the internet. Did you use them often? ______ Did you find them helpful? ______
I did not collect homework from you. Would you have preferred that homework be collected? ______

Why or why not?
