<hr/>	
Total points	500 pts.

Homework assignments and solutions for the entire quarter, discussion sheets, practice exams and solutions, and a list of basic integration methods and formulas from Math 21B can be viewed and printed from the Math 21C homepage. Homework will be assigned daily. Unfortunately, due to the large class size and limited number of grader hours, homework will not be collected. However, solutions to daily homework and solutions to all hour exams can be found at the Math 21C homepage, or copies can be viewed in my office during office hours.

It will be your responsibility to do homework regularly and ask for help when you need it.

No make-up exams are given. A missed exam is zero points.

Weekly discussion sheets for the Thursday discussion classes can be found at the Math 21C homepage. These are supplemental problems intended to help you learn the material and prepare for exams. It is your T.A.'s prime responsibility to answer questions about these additional problems in discussion class or office hours. **SOLUTIONS TO DISCUSSION SHEETS WILL NOT BE MADE AVAILABLE.**
